ROAR STREET JOURNAL

RELATIONSHIP 101

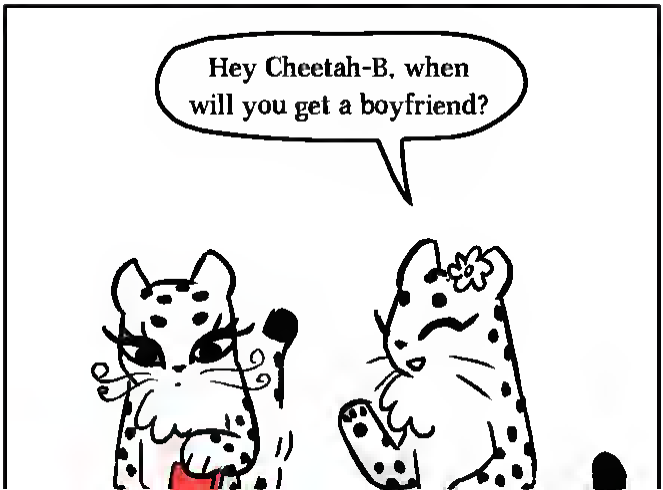
Same Question

MINI SERIES

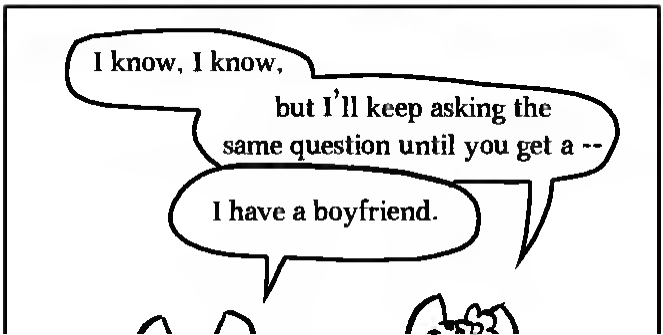
It's the time of the year again...

When relatives and friends ask you

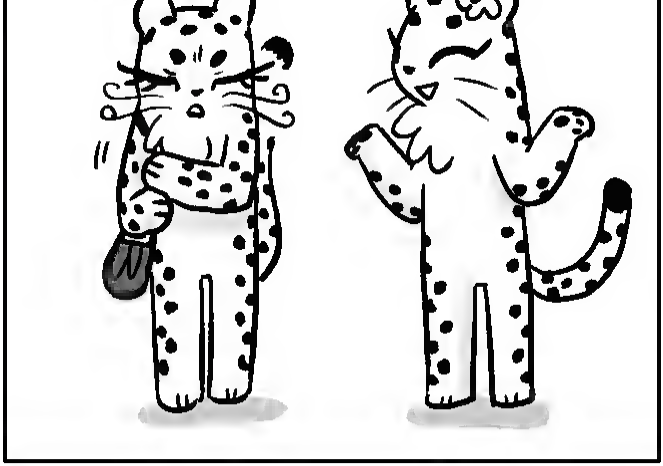
the same questions...

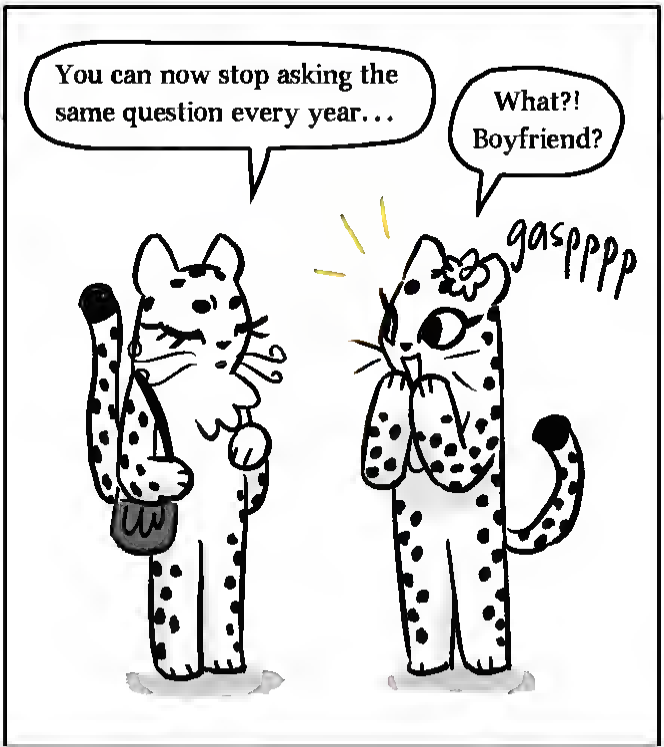


glares

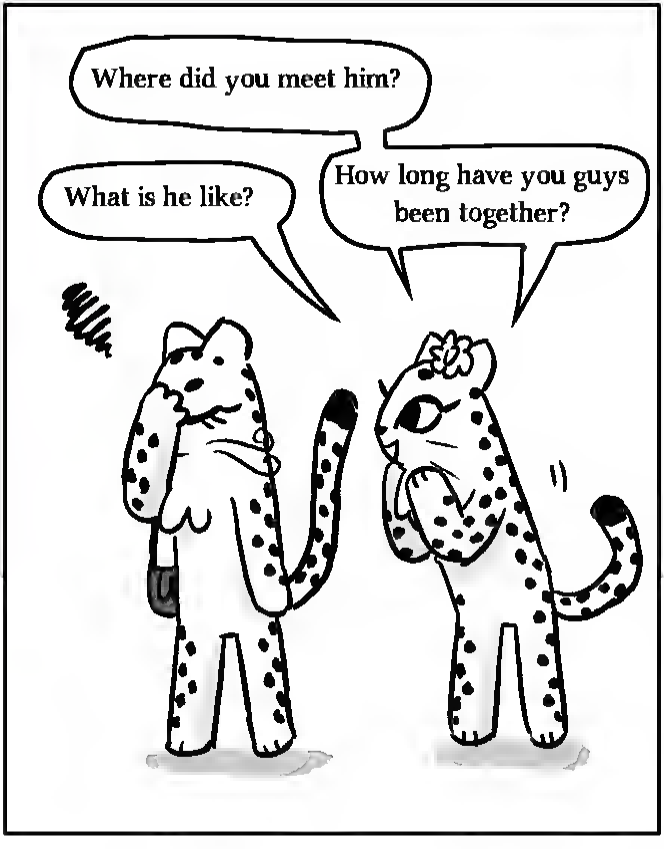


I know, I know,
but I'll keep asking the same question until you get a --
I have a boyfriend.



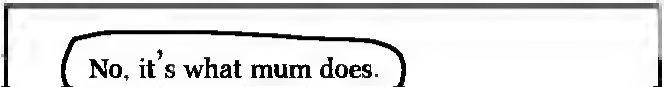


You can now stop asking the same question every year...
What?! Boyfriend?
gasPPPP

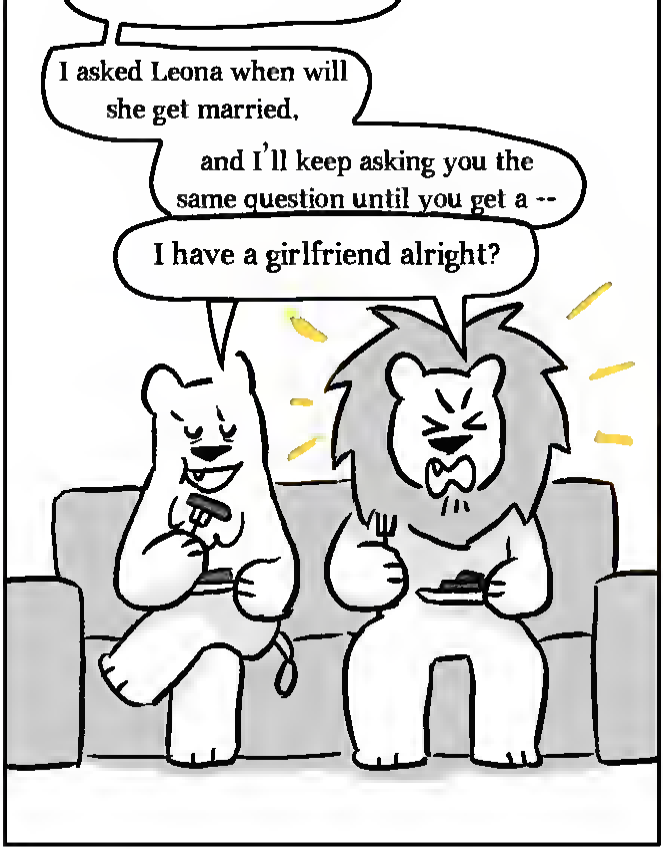


Where did you meet him?
What is he like?
How long have you guys been together?

Leo, you're a big guy now...
when will you get a girlfriend?
Mum, you asked the same question last year...
...can't you just leave me alone?

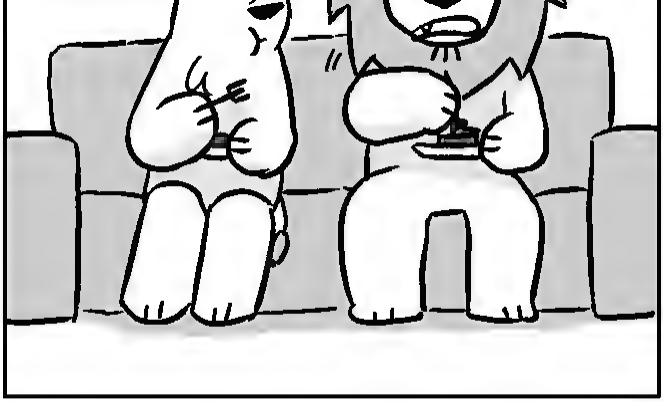


No, it's what mum does.



I asked Leona when will she get married,
and I'll keep asking you the same question until you get a --
I have a girlfriend alright?

Satisfied?
Now you can stop asking me questions...



...Did you just say "girlfriend"?
